# Work Stained Out All Night

## 40. First Night

If we never forget about all the days that made us so happy...

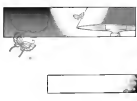
Would we be able to overcome any obstacle?

.....Just by the memory of overlooking happiness...?

UGH...I'M GOING TO PUKE.
WE DO HAVE A DOCTOR LIVING HERE, A LITTLE MORE PATIENT!
YOU'RE NOT THE ONLY ONE WHO'S HURT, YOU KNOW, SO SHUT YOUR TRAP!
DID YOU FORGET THAT WE'RE NOT THE BLOOD-SUCKING TYPE OF VAMPIRE?
YOU TOLD ME YOU COULDN'T DRINK BLOOD, ONE OF REASONS, BUT YOU'RE GOING TO DO IT!
KIRAN, I'VE NEVER TAKEN MY BLOOD FROM THE VEIN OF THE FRONT TUMO!
I FEEL SORRY FOR THE MOST PART!

I'M...OKAY. I'M...JUST GOOD AS NEW!
WAHAHA!?
I'VE NO IDEA AT ALL!
HAH!
DIDN'T YOU SAY THAT YOU WOULD CARE ABOUT BE HURT IF YOU'RE FINE WITH YOU AGAIN LIKE THIS?

I'm really drunk right now.
But... yeah... skin feeling...
In like a sense of safety, which means everything is falling back into its rightful place...
This is too perfect...



What... is this? His face looks so friendly, but he's not answering...?
Am I screaming right now...?
His soft charisma... I... I feel like I'm going to be sucked in.
